MISSION AUSTRALIA 2019

If you're 15-19 years old, living in Australia and want to have a say about the things that affect you, here is your chance!

Now in its 18th year, the Mission Australia Youth Survey continues to be the largest of its kind in Australia.

The Youth Survey allows young people to share their values, challenges and ambitions and 'speak up' about the issues they care about. It is widely used by Governments, NGOs and community groups to develop policies and youth programs.
